Queries and Clarification			
Sl No	Reference No.	Queries	Clarification
1	Financial Bid, Form F-1 Schedule-2, Para (b) & (c)	Conceptualisation and Production of Nukkad Nataks for mass awareness are complementary to each-other, why so LSBA invites quote separately.	Conceptualisation of Nukkad Natak (Street Play) mentioned in Para (b) stands for Preparing Storyline and script (extensively-dialogue, gesture, costume etc). It is basically a writing part which is of pre-production nature Whereas acting, direction and arranging all the facility to perform play is the core Production part (mentioned in para-c) So, the Bidder has to quote the rates separately.
2	Para-4 (Minimum Eligibility Criteria) Serial No-2	In Bid document, it is mentioned that Bidder's Average Annual turnover in Bihar should be at least Rs. 5 Crore in the last 3 Financial Years. Turn over usually calculated at national level not region/state specific.	The Agency should have average annual turnover of at least Rs 5 Crore in the last 3 financial years 2015-16, 2016-17 and 2017-18. The term 'in Bihar' has now omitted.
3	Para-4 (Minimum Eligibility Criteria) Serial No-7	Bid Document says that the bidder should have taken at least one similar work for Government department/ Government undertaking of contract value of 02 Crore. It may be lowered up to 01Crore.	As Para-4 (Minimum Eligibility Criteria) Serial No-7 in the Bid document.
